Vivaldi-son Estivo V.Z. has already put down great achievements at Z level. The stallion Vivaldi has been impressing with his descendants for a number of years. At the World Cup in Verden, no less than three of his sons achieved the final at the five-year-olds. In addition, he has several approved sons, such as Eye Catcher, Dream Boy, Ferdinand and Desperado.

Vivaldi comes from the stallions Krack C and Flemmingh. These proven stallions have performed outstandingly in dressage and so did their descendants. Estivo V.Z. is one of these and is definitely a horse to keep an eye on.
